

Introducing the

Bursa MY ESG Disclosure Readiness Assessment Tool

Unlock the power of ESG compliance with our cutting-edge Bursa MY ESG Disclosure Readiness Assessment Tool, proudly presented by ESG Disclose. This game-changing solution is here to revolutionise how companies in Malaysia meet the formal ESG Disclosure requirements set by Bursa Malaysia.

✓ ESG Gap Analysis & Readiness

To help inform your next steps / action on your business / organisations ESG Journey.

- 1 We will introduce and deploy an ESG GAP Analysis & Readiness assessments to you.
- 2 This will help us understand some key data points for your businesses ESG Readiness
- 3 We will use these data points to create a report based on standards such as Bursa Malaysia / GRI for your business / organization.
- 4 Within 1 Month (during this programme period) we will provide you a report and debrief you on your ESG Gap Analysis and Readiness.

In less than four weeks, our intuitive tool takes you on a seamless journey. It effortlessly guides you through a straightforward process, helping you respond to the Bursa ESG Disclosures. With illustrative data examples provided, you'll have the clarity and confidence to meet the disclosure requirements head-on. Our team of ESG subject matter experts further analyses your input to generate a comprehensive gap analysis report. Unveil the areas that demand your attention, allowing you to proactively address them before December 2023.
